This pricelist is valid for the Czech Republic from January 13, 2012, price changes are not avoided.
All prices are written in CZK, ex works Chlumec nad Cidlinou, Czech Republic.

We offer following transport options:

- personal take-off on our address in Chlumec nad Cidlinou (it's possible to transport the branch logger on the trailer behind the car; or in enough-size van; we provide loading).
Weight of branch loggers: TR70 - 210kg, SM70 - 270kg, TR110 - 650 kg.
- C.O.D (Cash On Delivery) via mail (transport cost depends on distance, please contact us for details).

If you want, you can visit us and check the branch logger while working, of course without engagements.
Delivery terms can vary from immediate takeover to maximal 8 weeks of waiting. It depends on the actual amounts of orders.

Branch logger URBAN TR70 is protected by industrial patent n. 34840.

Our branch loggers have got CE certificates.

It's possible to use instalment sale with the company ESSOX.
